

TOWNSHIP PURCHASE OF WOLFORD ROAD LOT

Upper Salford Township is pleased to have been able to purchase the 13.35-acre Wolford Road Lot property from the Philadelphia Folk Song Society in March 2020 with the help of grant funds from the Montgomery County Open Space Program. Under Township ownership, the parcel will be protected from development and the existing walking path will continue to be a part of the Upper Salford Park trail system. Farming on the parcel will continue and parking will be allowed during the Folk Festival each year. As you can see on the map, the trails on this property and the adjacent Upper Salford Park will eventually connect to Spring Mountain and beyond to the Perkiomen Trail. This property fills in an important puzzle piece for connecting all of our beautiful trails and open space together.

Funding:

- \$120,000 Montgomery County Open Space Funds
- \$120,000 Upper Salford Township

\$240,000 purchase price
