

63rd Annual Philadelphia Folk Festival

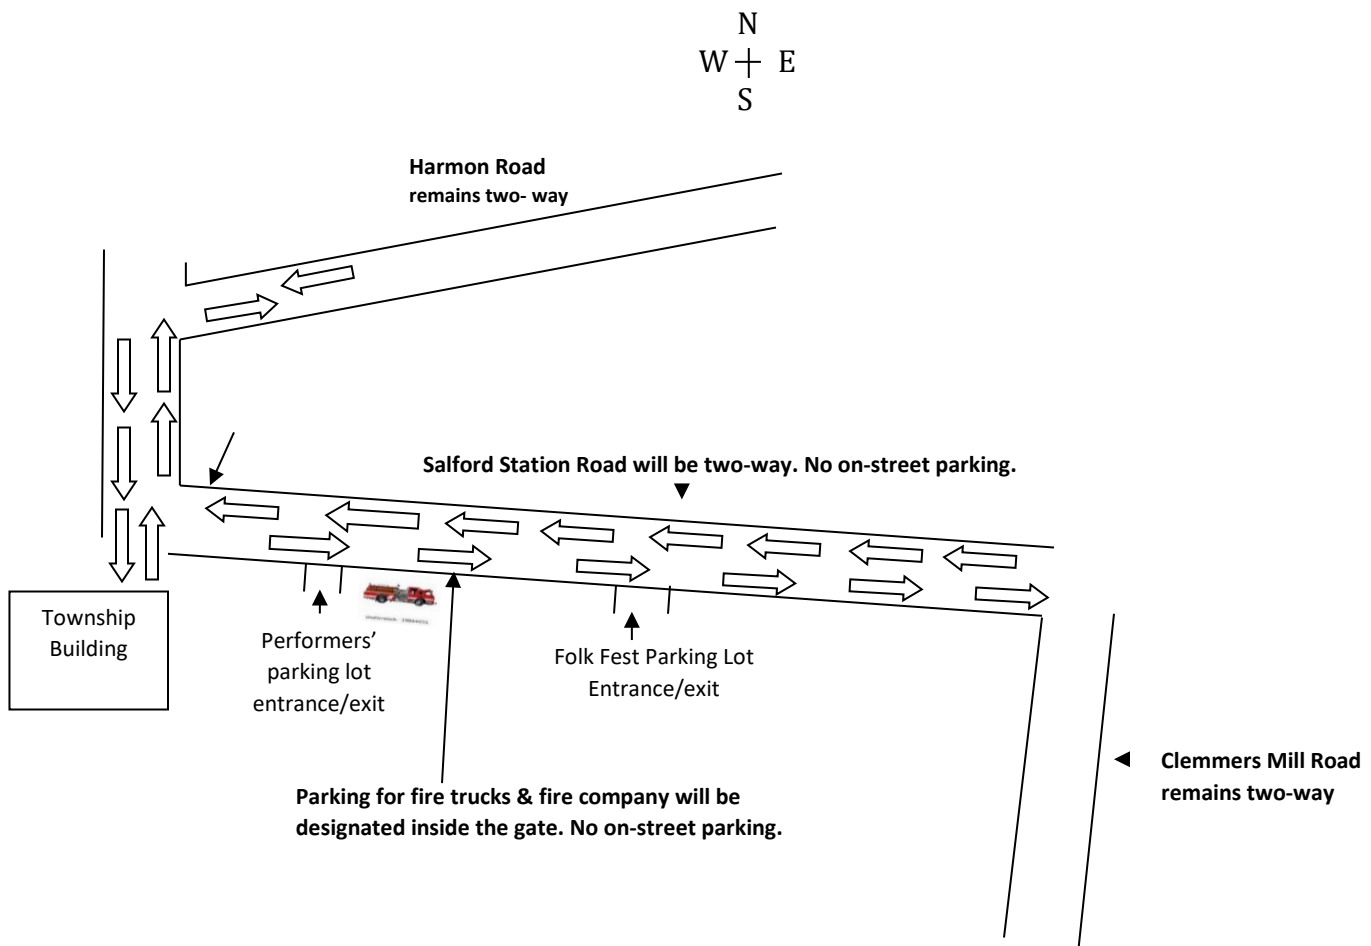

August 13, 14, 15, & 16, 2026

Folk Fest 2026 is fast approaching. In just a few days, Upper Salford Township will welcome numerous visitors. As residents, there are several important matters related to the Folk Fest that we would like to bring to your attention.

Traffic

The Folk Fest Campground opens Thursday, August 13th. Expect heavy traffic starting that morning, and please plan for delays. Display your Resident Tag in your car all weekend to avoid misdirection. Extra tags are available at the Township Building (Monday through Friday, 8am–4pm).

Please use caution when traveling near and around the Folk Festival. Starting this year, Salford Station Road will be open to two-way traffic, and on-street parking will be strictly prohibited.

Contact Information

If you have any questions or concerns, please contact Community Relations by leaving a voicemail at 610-287-8022 with your name, phone number, address, and the reason for your call. Alternatively, you may reach out via email at communityrelations@folkfest.org.

Township Parks

The parking lots at Upper Salford Park and Rahmer Park will be closed for the Folk Festival from noon on August 12th until sunrise on August 17th. The parks will remain open to visitors, but vehicle access will not be permitted during this period. Visitors seeking alternative walking locations may consider the Perkiomen Trail and/or Trail Connector.

A portion of the proceeds from the Folk Festival benefit the Township Open Space Program and the Upper Salford Township Volunteer Fire Company.

Please help us welcome the Folk Fest attendees as our guests for the weekend!
